

Financial Agreement

Smiles Dental is committed to helping all patients receive the necessary treatment to achieve and maintain optimal dental health.

Patients with Dental Insurance

Initial _____ Dental insurance is considered an agreement between you and your insurance company; therefore we can only **estimate** your dental benefits. This estimate is **not a guarantee of payment** by your insurance company. You are responsible for any charges your insurance company does not pay.

Initial _____ Your out of pocket portion and deductibles are due at time of service.

Initial _____ Insurance payments not paid after 60 days will become your complete responsibility. You agree to pay your full balance after 60 days from date of service.

Initial _____ A minimum of 48 hours' notice is required for any changes or cancellations to your appointment to avoid a \$50 cancellation fee. This charge cannot be submitted to your insurance company.

Cash or Senior Discount

Smiles Dental will gladly submit your insurance claim on your behalf; however, if you wish to take advantage of our 5% cash or 10% senior discount, you will need to bill your insurance company directly.

Financing Options

We also offer financing options with no interest payments up to 6 months on approved credit.

******Please read all options carefully. All estimated fees are due at the time of service******
